Dana,

Lone Star says the 3-ton unit at 1422 Elm is done (compressor seized, 14 yrs old). Quote/invoice LS-7718 attached, $7,800. That's over the $5k limit so I need your written approval and separate funding before we can pay it - I'm not paying it out of the repair reserve. Tenant is using space heaters meanwhile.

Marcus

Subject: 1422 Elm St - replacement needed
Unit is not repairable. See attached LS-7718. We can install Monday if approved.
